A Teaching Tool for Your Next Step in Faith

When considering a partnership with Jesus Christ, there is always a turning point that directs a believer's journey. It can be a very difficult process, but the power and freedom of the Holy Spirit that follows is unsurpassed by anything on the planet. As the believer grows deeper into his or her faith, direction and purpose begin to emerge . . . and so do the challenges.

I Must is a teaching tool for those ready to take the next step in their faith. With a focus that draws from the story of the nameless prophet in I Kings 13 and an assortment of refining life lessons, this study will give the believer the ears to hear, the eyes to see, and the heart to execute God's plan for his or her life.

"A must-read for those who want to please God and for those seeking to help others who have found themselves in opposition to God."

—**Dr. B.J.E. McQueen, Pastor,**

St. Stephens Missionary Baptist Church, Austin, Texas

"A valuable tool for pastors and church leaders who need to see challenges as opportunities. Cyphers believes I Kings 13 offers insight on how one must go through these to get to the glory the Lord wants them to have. It is my hope that this book will be widely read and well heeded."

—**Erick W. Evans, Sr., Senior Pastor,**

Emmanuel Missionary Baptist Church, West Palm Beach, Florida
