A perfect self-help gift book!

Over 50? Menopausal? You're Fired!!! is the delightful tale of **Penny Pinkslip**, from the humiliating day that she is fired through the five stages of losing a job and to the triumphant moment of accepting a new offer. Packed with humor, colorful drawings, and practical tips, this gift book provides beneficial job seeking **advice, hope and laughter** to readers walking the rocky road of unemployment.

"Hits the nail right on the head. Penny Pinkslip is a very relatable character, a reflection of everything I went through when I lost my job and found a new one. So many emotions are flowing that it almost feels like a break up. Turns out the same: Being laid off is a blessing in disguise and paves the way for something better to come along."

—**Margaret Wagner**, Data Reporter,
Houston Business Journal

"A candid, laugh-out-loud, uplifting book. Takes one's mind off the stress of being out of work."

—**Andrea L.**, MBA, MS, LCDC, AAC, BCI

About the Authors

Roni Elayne Singer and **Nancy DePrimo Zuromski** are friends who have each endured several rounds of the unemployment merry-go-round nightmare. When both were out of work, they co-wrote this humorous tale of Penny Pinkslip to keep each other sane. Today, Roni is a trainer and technical writer, and Nancy is a financial account representative.
