Not Just Another Marriage Book: EXPLODE YOUR RELATIONSHIP

Now is the time to be intentional in your relationships.

Now is the time to implement God's design.

Now is the time to obtain all that He intends for you through marriage.

In *Not Just Another Marriage Book*, Doug and Sissy Pitcher speak from past pains and failures to help couples create lasting and fulfilling relationships. Using God's design, you'll learn seven simple tools and resources to thrive in your marriage with "eyes wide open."

"Deeply rooted in Biblical wisdom, *Not Just Another Marriage Book: Explode Your Relationship* will show you how to have a marriage that is everything God designed it to be." – Jimmy Evans, Founder and CEO, MarriageToday

"A very practical and thoughtful guide designed to assist couples in successfully overcoming the challenges and pitfalls most couples encounter. No matter where your relationship is, you will feel empowered, enlightened and equipped as you understand God's design to EXPLODE your love and partnership."

– Greg Crawford, Senior Pastor, The Freedom Center Church, Missouri City, Texas

About the Authors

Doug and Sissy Pitcher are blessed by God's grace with a beautiful union of holy matrimony, even after both experiencing the shame and disappointment of divorce. Together, they share God's design with other couples through their ministry, Pitcher Ministries. The Pitchers are licensed ministers through The Freedom Center Church in Missouri City, Texas, and are certified "Marriage on the Rock" instructors through Jimmy Evans of MarriageToday.
